Corporate Sponsorships

Please help us spread the word! Mustang Bands is looking for companies of all sizes who are interested in partnering with Mustang Bands by becoming a corporate sponsor.

We are getting ready to roll out corporate sponsorships with many different levels of support. Companies will be able to fully write-off their charitable donations on their taxes because Mustang Bands is a 501c3 organization. Documentation will be given at the time of the donation for tax purposes.

Corporate sponsorships will be publicly recognized in a variety of ways based upon their donation level as described in the sponsorship information.

If you know of a company interested in sponsoring Mustang Bands, please let Kristin Richter, Booster President, know. Kristin can be reached at (405) 609-4118 or emailed at BoosterPresident@mustangbands.com.

Become a Volunteer

To be a certified volunteer for anything school related, you must pass a background check and be a verified volunteer. The process does take a while, so get started soon so you can be ready to go next school year.

Get your certified volunteer card at this [link](#). If you have any questions, please contact Kristin Richter at BoosterPresident@mustangbands.com.

Football Season Tickets

If you don't plan on working the concession stands every Friday night and are interested in purchasing football season tickets, ticket sales open up on July 1.

If you are interested, you can purchase tickets at the Event Center, Monday - Thursday from 8:00 - 11:00 am and 1:00 - 4:00 pm. You can also call Milly at (405) 376-7366.

The Athletic Office can be located at the door at the SE corner of the Events Center. Ring the doorbell and they will let you in and go up the stairs to the top floor.

The Athletic Office will be closed July 1 - 5. Regular office hours will resume Monday, July 8.

Season ticket prices for the 2024 season will be \$75 per seat. There will be five home football games and possibly one OSSAA play-off game. Play-off tickets would be an additional expense but your reserved seats would not change.

Season tickets include reserved chairs with seat backs that are the same all season long.
