TREASURER VOTE

Phillip Humphrey and Shelby Spivey both proposed to be the next treasurer for the MHS Band Booster. Both presented on why they would be fit to be the next treasurer. Comment by Mistie Turner stating that since her and Rachel Bankston's term will end at the end of the school year, it would be a good idea to vote in two treasurers to be trained. A vote to bring on two treasurers instead of one was made. Motion to have two new treasurers made by Joe Voit, seconded by Mel Chronister. All voted in favor.

REVISED BUDGET

A proposed budget was presented in June and revised by Band President Kristin Richter. The budget is based on the numbers from last year. The budget will include a working document where income and expenses will be in real time it is meant to show an overage or shortage of the balance at any time of the year. The document was broken down by events of the year. Conversations for booster attendees to view the proposed budget before voting. A copy of the proposed budget will be emailed to any booster wishing to review it by emailing the band president.

Suggestion to move to conditionally approve the budget subject to revision, based on comments from boosters who have not had a chance to go through the proposed budget. This way, in the meantime, the Band Booster has a budget they can work and move forward with. Motion to have a conditional approval of the proposed budget today and confirmed approval next month by Mel Chronister, seconded by Bobby LeMaster. All voted in favor.
